

# 2019 Building Hope Breakfast

On Thursday, October 10th, Abode Communities will host its annual Building Hope Breakfast, a fundraising event aimed to bring philanthropic support to the organization’s Beyond Homes’ resident services program. Event attendees include 200 affordable housing advocates, nonprofit leaders, partners, individual donors, and Abode Communities’ residents and volunteers, all of whom are dedicated to transforming the lives of, and promoting upward mobility for, Los Angeles’ most economically diverse communities.

The Building Hope Breakfast is hosted thanks to the generosity of Abode Communities’ business partners, whose contributions serve as leadership gifts. **Consider becoming a leadership sponsor today as we collectively work to build hope.**
